

## Sandyston Recreation presents:

### **THE GOBBLE HOBBLE 5K**

November 2020

Dear Friend,

During these unprecedented times Sandyston Recreational committee has still worked hard to support and unite our community. It has been uncertain if we would still be able to hold our Annual Gobble Hobble. It is after much research and the additional safety measures that we are excited to announce the 7th Annual Gobble Hobble 5K is happening!! It will still be held on Thanksgiving morning, but attendees will sign up for a specific time frame, as only 50 people per 15 minutes will be allowed to register. For the past 6 years, this event has grown, hosting over 300 participants from Sussex County and beyond. Our mission is to provide an opportunity for local businesses and organizations to gather and promote wellness while raising funds to support the Sandyston Township Recreation Committee.

Sandyston Recreation is a volunteer organization that facilitates youth athletic programs and provides community events for our township. These events include Sandyston Day, Movies Under the Stars, The Annual Easter Egg Hunt and Trunk or Treat.. This year, we are hoping to provide growth of a walking path at the municipal field.

The Gobble Hobble 5K is an extra special event, as there are over 50 local volunteers from the Sandyston Township Volunteer Fire Department and our township who add a special "hometown feel" to the race.

We understand these have been trying times financially and have revised our sponsorship form this year and appreciate each of you for the support you have given through the years.

As you may have supported this event in the past, we offer several opportunities for your business or organization to show your support for our township and specifically the walking path.
