Dear Parent or Guardian:

Summer EBT is a new federal program to help families buy food for their school-aged children during the summer. Families will receive \$120 for each eligible child to buy groceries during the summer. Children who receive Summer EBT benefits can still participate in other summer meal programs. Receiving benefits will not affect children or families' immigration status.

In New Jersey, Summer EBT benefits will be loaded onto an EBT card and mailed to your home. If eligible, you can use the benefits to buy food like fruits, vegetables, meat, whole grains, and dairy at grocery stores, farmers markets, and other places that accept WIC or SNAP EBT benefits. Summer EBT is a convenient way for you to help your children thrive.

If your child is not automatically eligible through SNAP, TANF or Foster Care benefits and you did not complete and return a School Meals Application to your child's school, but believe your child may qualify, you are encouraged to complete a School Meals Application and submit it to your local school district no later than May 15, 2024, to see if you qualify for the Federal Summer EBT benefit prior to the start of summer.

If you have questions, you can contact **Laurie Ryan, 77 Halsey Road, Newton, NJ 07860, lyan@krhs.net, 973-383-1800, ext. 1120.**

Sincerely,
Laurie Ryan

Superintendent's Roundtable Award

Congratulations to Kittatinny's 2024 Superintendent's Roundtable winner, Rachel Kline!

Kittatinny Regional High School Receives National Recognition for Music Education Support

Kittatinny Regional High School has been honored with the Best Communities for Music Education designation from The NAMM Foundation for its outstanding commitment to music education. Now in its 25th year, the Best Communities for Music Education designation is awarded to districts that demonstrate outstanding achievement for providing music access and education to all students.

To qualify for the Best Communities designation, KRHS answered detailed questions about funding, graduation requirements, music class participation, instruction time, facilities, support for the music program and community music-making programs. Responses were verified by school officials and reviewed by The Music Research Institute at the University of Kansas.

"The Music Department is a home away from home for a significant number of our students here at Kittatinny. In many ways, the music department is one of the main places in which our students truly become and express themselves. The members of our department Mr. Matthes, Mrs. Kane and Mr. Henke all strive to inspire and engage with our students every day." - Mr. Henke

Research into music education continues to demonstrate educational/cognitive and social skill benefits for children who make music: After two years of music education, researchers found that participants showed more substantial improvements in how the brain processes speech and reading scores than their

less-involved peers and that students who are involved in music are not only more likely to graduate high school but also to attend college as well. In addition, everyday listening skills are stronger in musically trained children than in those without music training. Significantly, listening skills are closely tied to the ability to: perceive speech in a noisy background, pay attention, and keep sounds in memory. Later in life, individuals who took music lessons as children show stronger neural processing of sound: young adults and even older adults who have not played an instrument for up to 50 years show enhanced neural processing compared to their peers. Not to mention, social benefits include conflict resolution, teamwork skills, and how to give and receive constructive criticism.

About The NAMM Foundation

The NAMM Foundation is a nonprofit supported in part by the National Association of Music Merchants and its 15,000 global member companies and individual professionals worldwide. The foundation advances active participation in music making across the lifespan by supporting scientific research, philanthropic giving, and public service programs. Cougars Celebrate Student Artists

On Tuesday night, High Point High School hosted an Invitational Art Show. Over one hundred pieces and ten schools were in attendance. Kittatinny's Makennah Torpey took home "Best in Show" with her piece entitled "Features of Self." Makennah won a \$23,000 per year scholarship to Hartford!

In the functional 3D sculpture category, Annalyse Tattoli took second place for her sculpture titled "Iguanas Embrace."

In addition, Ireland Balma, Laryssa DeSilva, Kayleigh Masteroeni, Jake Anderson, Astrid Reuter, and Holly Sajdak all participated in this special art show.

It is quite an honor to have a piece selected for travel to a special event. If you see any of these talented students in class or in the hallway feel free to congratulate them on their achievements! All artwork will be on display in the showcase by the guidance office.

Congratulations to all our art students. Once again, the Cougars made a great impression!

Introducing the Kittatinny Education Foundation

PLEASE READ TO SEE HOW YOU CAN HELP!!

Kittatinny Education Foundation

The Kittatinny Education Foundation (**KEF**) would like to invite all members of the Kittatinny School Community, which includes current Cougar Parents, Cougar Alumni, and parents of our Cougar Alumni, to join in our efforts to enhance the educational opportunities for all of our students in the Kittatinny School District and to engage the entire community in philanthropic giving that strengthens our public schools, supports our teachers, and inspires our students.

The **KEF** is a philanthropic Non-profit 501-3C organization whose goals are to raise private funds **which are tax deductible donations**. These funds will assist in helping to provide the excellent programs that Kittatinny has long been known for in our school and around our campus. This funding will help offset the loss in aid that we have experienced over these last five years due to state aid cuts and will allow our school and programs to thrive. Our vision is to provide our School Community with the same quality programs and facilities that are a hallmark of Kittatinny, by raising money through sponsorships, private donations, and fundraising events. These fundraising events will become regular opportunities to reconnect and have some fun with former Kittatinny Cougar families as well as our current Cougar families. Although some of us have moved away, many in our Cougar Community still live in our area and we hope that ALL of our Cougar Family, near and far, would enjoy an opportunity to reconnect with our Cougar Nation!

If you are interested in getting involved with and want to help the **KEF** please send your email and cell phone information to: Mrs. Jane (Junior) Meyers (jjunior@krhs.net) or Dr. Craig Hutcheson (chutches@krhs.net)

We thank you for everything you do for the Kittatinny Community and we hope to connect with everyone very soon!

With Warm Regards,
