**Date:** Thursday, November 25, 2021

Dear Sandyston Resident,

Sandyston Recreation would like to inform you of the road closure scheduled for Thursday November 25, 2021 for the Gobble Hobble 5K community run.

To assist with traffic management for this event and to ensure the safety of local residents, spectators and participants, there will be a temporary road closure between 8:00am and 11:00 am on Layton Hainesville Road (Route 645) from Lertora Road to the Municipal Building. (DeGroat Road will remain open). All cross streets and intersecting roads will also be closed at this time. The permit for the closure has been approved by The Sussex County Division of Engineering and Planning. Pedestrian access will be maintained during the closure. Barricades will be manned by volunteers and in the event of an emergency, emergency access will be granted. If you require use of your vehicle during the time of the closure, please make arrangements prior to the closure to relocate your vehicle.
