Committeeman Harper made a motion to approve Ordinance 2014-01, seconded by Mayor MacDonald and unanimously carried. Roll Call Vote followed: Ayes: Harper, MacDonald; Nays: 0; Abstain: 0; Absent: Leppert.

Correspondence:

Mayor MacDonald stated he is waiting for the County Administrator to return his phone call to schedule time to meet with him regarding the County-Wide 911 Dispatching.

Committeeman Harper noted the correspondence received from Blue Ridge Rescue Squad and requested a letter be sent to them informing them their annual donation was increased slightly.

Open Meeting To Floor:

Mayor MacDonald made a motion to open the meeting to the floor, seconded by Committeeman Harper and unanimously carried.

Glenn Hull, Layton, came forward and stated for the record he is not against the sidewalk and he is not against Streetscape II.

Mr. Hull asked the Committee when Sandyston Township was aware they needed easements for the project. Committeeman Harper stated the Township was advised by Harold Pellow, engineer for the project, but did not know when specifically the Township was advised. Committeeman Harper stated Sandyston Township does not correspond directly with the State as this is handled by Harold Pellow. Mr. Hull asked if easements were ever discussed at the beginning of the project. Committeeman Harper stated Harold Pellow handled all the details in the engineering. Mr. Hull asked if the Committee had attended any meetings where easements were discussed. Committeeman Harper stated an on-site meeting was held by Mr. Pellow and the propertyowners in which he also attended and the discussion of easements centered around Mr. Kylish at that time.

Mr. Hull asked if the County had ever discussed easements with the Township. Committeeman Harper stated everything goes through Mr. Pellow.

Mr. Hull asked if the Township ever had any meeting or phone call with the County regarding easements. Committeeman Harper stated he is not qualified to discuss those details and that would be handled by Harold Pellow.

Mr. Hull stated the Committee has stated the State informed the Township that the Township would lose the grant if easements were not obtained and when did the Township find that out. Committeeman Harper stated we were informed by Mr. Pellow that the State would not pay for anything outside the right-of-way and that information was provided to the Township by Mr. Pellow.

At this time, Mayor MacDonald stated due to the fact that Mr. Hull's questions involve the easements for Phase II, it is his understanding that this matter is still an ongoing court case and therefore, on the advice of counsel, no more comments would be made until the court case is completely settled.

Mr. Hull asked the Committee if the Township could have passed the jurisdictional agreement with Sussex County if the condemnation proceeding was not initiated against his son. Mayor MacDonald stated, at this time there would be no comment.

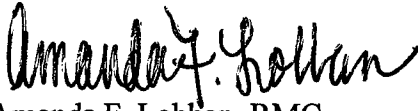

Mayor MacDonald made a motion to close the meeting to the public, seconded by Committeeman Harper and unanimously carried.
