

8th Annual Sandyston Has Heart

The Sandyston Township Historical Society is honored to present “Sandyston Has Heart”

During the holiday season we are asked for donations to help families or organizations in need. Many times we have thought “Wouldn’t be nice to make a donation for someone in our own town?”.

In cooperation with the Sandyston-Walpack Consolidated School and the Sandyston Township Committee, the Sandyston Township Historical Society will sponsor “Sandyston Has Heart”. This program will run November 1—December 15, 2017. You are welcome to make a cash/check donation (made payable to STHS) or a donation of a gift card (Shop-Rite, Weiss, Walmart, K-Mart) in any denomination. Please bring your donation to the Sandyston Township Municipal Building between 9 am and 2 pm, Monday through Friday. When you make the donation, a paper heart with your family or business name will be created and this heart will hang in the lobby of the municipal building. All donations must be received by Friday, December 15, 2017. These donations will then be turned over to the nurse at the Sandyston-Walpack School for distribution to families in need in Sandyston Township.

Sandyston Has Heart Challenge!

Through your donations, this program has been a huge success helping struggling families in Sandyston Township during the holiday season. This year, Steve and Tracey Woodhead have agreed to match all donations up to \$4,000..... AND when we reach that goal they will donate \$2,000 to the Sandyston Township Volunteer Fire Department, too!

Once again, each donation will also be given a “thank you” heart donated by Patte Haggerty Frato of Lou’s Glass.

If you wish to donate, please bring all donations to the Sandyston Township Municipal Building (for bookkeeping purposes) by Friday, December 15, 2017. Questions, call Amy 973-948-3520 x200. Thank you to Steve and Tracey Woodhead & Patte Haggerty Frato /Lou’s Glass for their continued generosity and support of the program. Thank YOU for your donation and help making the holidays a little brighter and showing Sandyston truly does have heart!
